This Reception is a "widely attended public event" under Congressional definitions. Please alert us if you need any accommodations to attend. STEM on the Hill™ Congressional Visits Day (CVD) is a two-day annual event convening scientists, engineers, researchers, educators, and technology executives to Washington to raise visibility and support for science, engineering, technology and STEM Education. Uniquely multi-sector and multi-disciplinary, STEM on the Hill™ is coordinated by a coalition of professional societies, associations, educational institutions and companies. It is open to all who support science and technology Research and STEM* education as cornerstones for our nation's future.
